

# 15 ALLOTMENTS

- No great interest (3.5% only) – no one has one currently; the land is rented out locally.
- Too much animal damage a complaint from those who have used in the past
- Better publicity so that people are aware of their existence – **another one for a Village Directory.**
- More interest in garden share; 13.5% might be interested – **this needs following up.**
- **Those who are interested, please leave contact details.**
