

# 4 SPORTING AND LEISURE

- Some pressure (40%) for Playing Field and Playground or family play area.
- **Where? Containing what? For what age groups? How funded?**
- 
- **School Playground:** this is, contrary to some impressions, available for all children out of school hours. New gates allow this.
- **Possible additional play equipment for School Playground? Discuss with School.**
- **Support for whole-parish events and for combining with Otterford to produce them.**
- **Good memories of Jubilee. Some would like to see Family events, BBQs, picnics (see Village Hall section)**
- 
- **More BSM teams would help with social cohesion. More publicity? – for example, for the Cricket team.**
